***Creation Ministries Evening at The Lighthouse - Saturday 31st July**

Why won't they listen?

Have you wondered why your witnessing falls flat and people fail to respond? Many
comment that science has disproved the Bible and therefore it is not relevant to
today's modern world. But what's the answer? Can the majority of scientists really

Discover the answers with **Adrian Bates** when he brings his powerful message *The
Creationist Challenge to Long Age Myths*, The Lighthouse, 7.00pm on Sat 31 July.
